RE: Application of Fonix Telecom, Inc.
Docket No. 2005-192-C, Our File No. 1052-10317

Gentlemen:

The Applicant suggests the following modification to the Proposed Order issued by the Hearing Examiner: Replace the language regarding updated financials (found in Paragraph 1 of the Conclusions of Law on Page 8) with the following: "However, this Commission herein requires that the Company file quarterly financials (income statement, balance sheet and any other relevant documents) of the Company's parent corporation, Fonix Corporation, within fifteen days after filing these financials with the Securities and Exchange Commission."

The requested documents will demonstrate whether or not Fonix Corporation can "fulfill its promise of financial backing to Fonix Telecom, Inc." I have discussed this request with ORS, and they indicate they don't object.

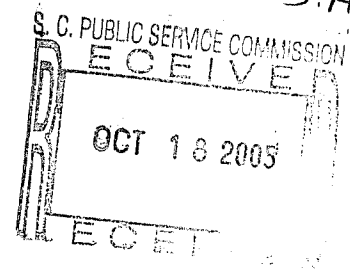

Very truly yours,

John J. Pringle, Jr.
